LEGAL SIZE

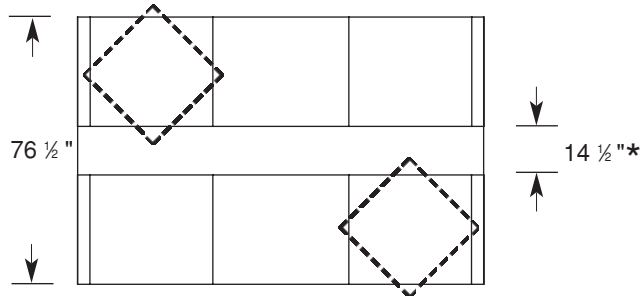

Units are shown offset from a wall or partition.

Wall Closure Panels Double Wide

LETTER SIZE

LEGAL SIZE

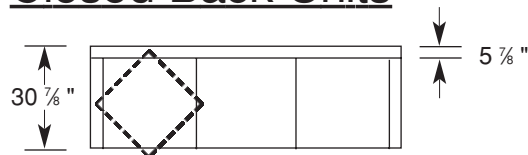

Units are placed back to back for high density filing.

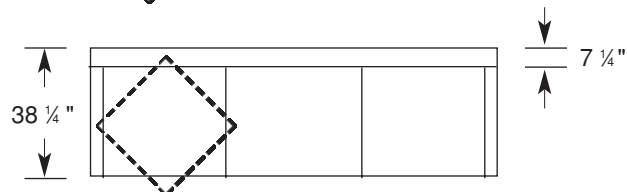

*To make maximum use of floor space, using single wide closure panels will reduce this dimension by half. However, be aware that back-to-back units may not be rotated simultaneously when installed with this smaller clearance.

Closed Back Units

LETTER SIZE

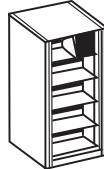

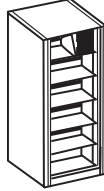

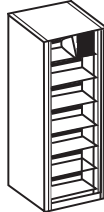

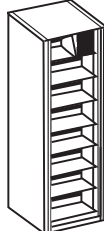

LEGAL SIZE

Closed backs eliminate access on one side of the Rotary File.
